WHY ATTEND CAMP KEIR?

Camp Keir Summer Camp Programs are much more than just fun for youth. Camp is often a child's first extended trip away from home. An effective camp experience enables youth to become a self-sufficient individual. Living together in a rustic setting, campers share unique adventures and have many opportunities to grow on the inside, by playing outside.

OUR PURPOSE

is to develop Christian faith and character in an atmosphere of fun and recreation. We offer a caring, sharing environment that gives each camper an opportunity to develop physically, emotionally and spiritually through living together in a community in an outdoor setting.

OUR SITE

is located in the beautiful community of Canoe Cove, PEI, bordering on the Northumberland Strait. Our centre offers comfortable accommodations for our campers, with four to six campers per room, dining hall, chapel in one building, art/craft area in a second building. The site features a sports field, multi-sport court, beautiful sandy beach and natural surroundings to explore. Camp Keir is located on Route 19 beside Canoe Cove Presbyterian Church.

OUR PROGRAM

activities include archery, arts and crafts, campfire, sports and games. As well, several other special events are held during camp, such as talent shows, outdoor cooking, Survival Day, field trips, swimming and drama. One of our most popular events for our older campers is the day-long canoe trip. Imagine guiding your canoe down a scenic river while our experienced staff teach you the fundamentals of canoeing and camping, as well as lead you in awesome games, super crafts, and Bible study. Space is limited, so register early!

OUR LEADERS

are carefully selected - most are former Camp Keir campers themselves! Our staff are well-trained in both leadership and camp life. We want you to rest easy knowing that your child will have fun and that they are in good, qualified hands.

LEADER-IN-TRAINING (LIT)

Camp Keir is very excited for this year's LIT Program! This is a program for ages 15+ who are interested in developing their leadership skills. You'll learn various things like group dynamics, leadership approaches, communication, activity development, discipleship, and so much more! Oh, and let's not forget - it's tons of fun! It's not dry, it's not boring; it's a life-changing experience. The people you go through the program with are friends for life!

The program would be an asset on any type of resume. The training that occurs, while critical for a camp setting, is universal and can be applied to any facet of community. Also, if you are thinking about applying to work at Camp Keir in the coming years, having this in your past experience would be beneficial! Check out our website and Facebook page for more details!
